It can be overwhelming to be the primary caretaker of children in today's world. When you feel as though you just can't do it anymore, it might help to remember this anonymous quote.

“You may not be able to change the entire world, but you can change the entire world of a child.”

Idaho KinCare Project

A KinCare provider is a grandparent or other family member raising a relative's child. This arrangement can be challenging from legal, financial, and emotional standpoints. If you are one of the 10,000 KinCare providers in Idaho, this newsletter is for you.
